

## Curriculum Vitae

**Name:** Günter Emons

**Address:** Department of Obstetrics and Gynecology  
Translational Gynecology  
Georg-August University Göttingen  
Robert-Koch-Straße 40  
D-37075 Göttingen  
Germany  
Phone: +49 / 5 51 / 39 65 632  
Fax: +49 / 5 51 / 39 62153  
email: emons@med.uni-goettingen.de

**Date of birth:** January 28, 1954

### **Education and**

**Academic Titles:** **Approbation** as physician 1979,  
Medical University of Lübeck  
**Promotion** to Doctor medicinae 1982,  
Medical University of Lübeck, summa cum laude  
**Habilitation** for Biochemical Endocrinology 1986,  
Medical University of Lübeck  
**Specialist** for Obstetrics and Gynecology 1988,  
Medical University, Lübeck  
Associate Professor for Obstetrics and Gynecology  
1991, Philipps University, Marburg  
**Specialist** for Surgical Gynecology and Gynecologic Oncology 1996  
Full Professor and Chairman 1998, University of Göttingen, Dept. of  
Obstetrics and Gynecology  
Professor for Translational Gynecology 2019  
**Board Certificate:** Gynecologic Oncology 2006  
**Board Certificate:** Medical Tumor Therapy in Gynecology 2006

### **Honors**

**and Awards:** Schoeller Junkmann Award, German Endocrine Society,  
1981  
Faculty Award, Medical University of Lübeck, 1982

### **Professional**

**Experience:** **1979 – 1982:** scientific assistant, Institute of

Biochemical Endocrinology, Medical University,  
Lübeck

**1982 – 1987:** scientific assistant and resident,  
Department of Gynecology and Obstetrics, Medical  
University of Lübeck

**1987 – 1989:** senior physician, Department of Obstetrics  
and Gynecology, Medical University of Lübeck

**1990 – August 1998:** senior physician, Department of  
Obstetrics and Gynecology, Philipps University, Marburg

**June 1996 – August 1998:** deputy director of the Department  
of Obstetrics and Gynecology, Philipps University, Marburg

**Sept. 1998 – March 2019:** Chairman, Department of Obstetrics and  
Gynecology, Georg-August University, Göttingen

**April 2019-** present : Professor for Translational Gynecology

**Work abroad:** **Dec. 1981 to March 1982:** guest worker at the  
Endocrinology and Reproduction Research Branch,  
National Institute of Child Health and Human  
Development, Bethesda, U.S.A.

**Sept. – Oct. 1987:** visiting lecturer, Zhejiang  
Medical University, Hangzhou, China

**Scientific activities:**

**basic science:** **1979 – 1982:** estrogen metabolism and estrogen-physiology  
**1982 – 2002:** regulation of pituitary gonadotrophin  
secretion by estrogens, progestins, antiestrogens and  
antiprogestins; regulation of LHRH-receptor concentration  
and LHRH signal transduction  
**1985 – present:** Expression of LHRH and its receptor in gynecologic  
cancers, LHRH signal transduction in cancers, pharmacological  
actions of LHRH agonists, LHRH antagonists and of cytotoxic LHRH  
analogs

**clinical studies:** **1986 – 1989:** phase II trials with LHRH agonists in the treatment of  
hyperandrogenemic sterility, uterine fibroids and endometriosis;  
pharmacokinetics and bioavailability of LHRH analogs  
**1987 – 1994:** principal investigator of an international multicentre  
  
phase-III trial on the efficacy of LHRH agonist treatment in advanced  
ovarian cancer

**1992 – 1996:** principal investigator of a German multicentre phase II trial on the efficacy of LHRH agonist treatment in advanced endometrial cancer

**1997 – 2000:** principal investigator in a phase I/II trial on the efficacy of LHRH antagonist treatment in advanced ovarian cancer

**2001 – 2005:** principal investigator in a phase II trial on the efficacy of taxotere in advanced endometrial cancer

**2002 – 2013:** principal investigator in a phase I/II trial on the efficacy of fulvestrant in advanced endometrial cancer

**2004 – 2013:** principal investigator phase I and II trials AEZS-108 (doxorubicin, coupled to LHRH agonist) in advanced ovarian and endometrial cancer

**2011 – 2016:** principal investigator phase II trial “Temsirrolimus in patients with advanced ovarian and endometrial cancer”

**Editor of scientific journals:**

**June 1995 – 2001:** co-editor of the European Journal of Endocrinology

**August 1998 – August 2004:** editorial board member „Endocrine Related Cancer”

**1999 – 2008:** editorial board member „Onkologie“

**November 2000 – 2009:** editorial board member “Trends in Endocrinology and Metabolism”

**2002-2014 :** editorial board member “International Journal of Gynecological Cancer”

**Service in**

**relevant Societies:**

**2004 – 2008:** Vice-president of the German Society of Endocrinology  
Member of the Organ Committee Ovarian Malignancies

of the Arbeitsgemeinschaft Gynäkologische Onkologie (AGO)

Member of the Organ Committee Uterine Malignancies of the AGO

**2004 – 2008:** vice chairman of the AGO

**2008 – Sept. 2010:** chairman of the AGO

**since 2011:** Member of German Academy of Science, Leopoldina

**since 2011:** Coordinator S3-Guideline “Endometrial Cancer”

**2006-2019:** Associate member, since 2019 full member of the Drug Commission of the German Medical Association
